

# MERIDIAN PAL SOCCER LEAGUE

## BUDDY REQUEST FORM

### SPRING 2008

The purpose of this form is to request that players in the same age group be declared “buddies” and placed on the same team.

**In order to have a “buddy”, both players must have registered on-line and then attach a copy of the Certificate of Registration to this buddy form.**

The buddy program guidelines are as follows:

1. Maximum of two (2) buddies per team (players can only be listed on **ONE** form as buddies, no triads).
2. Siblings who are to be teamed together may **NOT** have buddies.
3. **NO** buddy requests will be honored if any of these players are on a **Returning Team**.
4. Buddy form must be received by the PAL office **WITHIN 7 DAYS OF REGISTRATION**. Any form received after the **7 DAYS OF REGISTRATION** may not be honored. No buddy forms will be accepted **AFTER JANUARY 10, 2008**.
5. If one buddy is in a different age group than the other, it is the parents’ responsibility to include a play up form (located on the PAL website under Soccer) and attach it to this Buddy Form. Buddy forms will not be honored with players in two different age groups without a signed play up form for the younger player.
6. With all the buddy requests received each season, PAL cannot guarantee that all buddy requests will be honored.
